1. Authority / Introduction

The Community Inc. referred to hereafter as the Operator, conducts and promotes “Tuesday Super 7 Mega Bingo” games in accordance with the permit issued by the appropriate Authority in Guam.

“Tuesday Super 7 Mega Bingo” is a game with a fixed drawing date wherein the total number of Tuesday Super 7 Mega Bingo cards produced, and the number of winning Tuesday Super 7 Mega Bingo cards are recorded on the Tuesday Super 7 Mega Bingo Prize Files.

2. Definitions.

- 2.1 “**Subscriber**” means a person who purchases and/or plays a Tuesday Super 7 Mega Bingo card.
- 2.2 “**Retail Agents**” means person(s) or corporation(s) appointed by the Operator to distribute Tuesday Super 7 Mega Bingo cards for The Community Inc..
- 2.3 “**Rules**” are these rules and includes any Appendices and Revision Schedules hereto.
- 2.4 “**Tuesday Super 7 Mega Bingo card**” is a card issued by an authorized selling terminal, and the card’s details are recorded on the Operator’s host computer system.

3. HOW TUESDAY SUPER 7 MEGA BINGO IS PLAYED

The objective of the game is to match the numbers on the subscriber’s card with the seven (7) Tuesday Super 7 Mega Bingo numbers drawn each Tuesday night in Melbourne, Australia by an operator licensed by the Australian State Government. A total of seven (7) balls are drawn from a barrel containing forty-five (45) balls numbered from 1 to 45. These seven (7) balls drawn are called the Tuesday Super 7 Mega Bingo numbers. The drawn numbers will be displayed at approximately 9.15 PM draw night, and will be publicized at all selling outlets the day after the draw.

A subscriber’s bingo card has twenty four (24) numbers on it, with the center position free. The numbers on each card range from 1-45.

The retail cost of every card is either \$9.00 for a single play entry and \$17.50 for a double entry.

Prizes are won by matching the winning numbers with numbers on the subscriber’s card, forming fourteen (14) pre-determined patterns of marks on the card as outlined in ITEM 4.1.

At the time of purchase from an authorized retailer, a subscriber selects one (1) of two (2) ways to play-

1. A “AUTOPICK” entry is a card that is randomly generated card printed by the selling terminal.
2. A Player may also play by selecting their favorite numbers using a coupon provided at each selling location.
